

## OUTSOURCED TRACKING FOR COLLATERAL PROTECTION INSURANCE (CPI)

**Protect your collateral. Strengthen your compliance. Reduce your workload.**

Lee & Mason delivers a fully outsourced insurance tracking solution that keeps your vehicle portfolio protected without pulling your team away from what matters most: serving your borrowers.

### WHAT WE DELIVER:

- ▶ **Complete Insurance Tracking:** Fully outsource the tracking of physical damage coverage for installment loan collaterals.
- ▶ **Automatic Coverage Endorsement:** Lee & Mason ensures that all tracked collateral is protected from uninsured losses.
- ▶ **Dual Interest Coverage:** Expedite claims to help borrowers repair collateral, minimizing repossession risks and keeping vehicles insured.
- ▶ **Comprehensive Collateral Eligibility:** Track insurance for various collateral types including automobiles, vans, trucks, RVs, recreational vehicles, watercraft, and mobile homes.
- ▶ **Customizable Solutions:** Tailor letter cycles, premium charges, and deductible options.
- ▶ **Enhanced Risk Protection:** Optional blanket coverage safeguards against Skip and Confiscation losses.

### WHY LEADING INSTITUTIONS CHOOSE LEE & MASON:

#### State-of-the-Art Technology

Our proprietary **Intrex™ platform** delivers scalability, security, and transparency to handle portfolios of any size. Integrated tools like secure messaging, custom reporting, and support for all collateral types make managing insurance tracking **faster, clearer, and more efficient than ever.**

#### Premium Tracking

Lee & Mason's **premium tracking services** reduce false placements, minimize borrower disruptions, and help keep your premiums lower, **protecting both your portfolio and your bottom line.**

#### Personalized Service

Each client is assigned a **dedicated Senior Account Manager** with over a decade of industry expertise, ensuring personalized solutions. You'll never be routed to a generic help desk, just knowledgeable people who know your business.
